

REGISTRATION WITH THE CARRIER

For those who have a medical plan through Aetna, you can [CLICK HERE](#) and click on “Register”. Use your social security number to register on their site for your account. You will be able to your benefit information in the account and even print out your ID cards. You can even order more cards.

For those who have dental, vision, hospital, critical illness, and/or accident coverage through MetLife, [CLICK HERE](#) and enter “FrankCrum 11, Inc.” where it asks for your organization. Click “Next” to finish the registration of your account. Inside your account you will find all kinds of information related your benefits, including printing off and ordering Dental ID cards.

There are also mobile apps for both Aetna and MetLife. Both apps are great for accessing your coverage quickly, not to mention ID cards and such.
